

3rd International Symposium on Asphalt Pavements & Environment

16 AUGUST 2015, SUN CITY, SOUTH AFRICA

3RD INTERNATIONAL SYMPOSIUM

ISAP 2015

On Asphalt Pavements & Environment

Registration Open

The 3rd International Symposium on Asphalt Pavements & Environment is taking place at Sun City, South Africa on **16 August 2015.**

Following the tradition of previous such events in Zurich and Fortaleza, this ISAP APE Symposium 2015 is linked to CAPSA2015, a locally established conference, aiming to enhance the international contributions to the events. ISAP TC APE also aims to dovetail with CAPSA 2015, bringing an international perspective of research and development, with creative, sustainable solutions for flexible pavements. [Read more on focus areas.](#) This is the first time that this symposium will be hosted in Africa.

Venue

The 3rd APE ISAP Symposium will take place at Sun City, South Africa. This is also the same venue for CAPSA2015. Sun City Resort is only 187km from Johannesburg and is situated in the bushveld of South Africa's North West province, surrounded by the imposing mountains of the Pilanesberg.

Budget and plan

Budget... plan your trip... check on passport and visa details!

Entry regulations into South Africa have been tightened. Please ensure that you are updated with the latest entry requirements for your country. Please note, if you need a VISA, the application will have to be lodged in person.

Please remember to budget for transport/flights if you have to travel to another town/city for your South African visa application.
